

## 5 units R065HW sold in Latvia

Snow has started to fall down in Latvia. Fortunately, Konekesko anticipated it by purchasing 5 units Kubota R065HW wheel loader which started to work as soon as they have been delivered !

Kubota Latvian Distributor, Konekesko\* has sold 5 units R065HW wheel loader to the company SIA HAGBERG\*.

Established in 2009, HAGBERG main activity is site maintenance (cleaning of streets etc). Located in Riga, Latvia, they are providing services all around Latvia.

They are loyal Kubota customer ! The first Kubota lawn mower was purchased in 2013, now they run 16 Kubota machines both mowers, tractors and now, wheel loaders.

They highly appreciate Kubota durability and reliability, as well cooperation with Konekesko Latvia.
